Attention Industry Partners:

Please accept this letter as notice that Dechant Construction Ltd. is the exclusive partner of Saddle Lake Cree Nation within our Traditional Territory for their services noted below.

Dechant Construction Ltd. specializes in Civil Earthworks, Site Grading, Winter Maintenance, Lease and Road Building, Clearing, Logging and Log Haul and ancillary support services to their core business. They provide these services to you on our behalf.

Our partner has made a commitment to Saddle Lake Cree Nation in ensuring economic benefits are shared in a risk-free manner with the community, that Saddle Lake Cree Nation community members are engaged through work opportunities as they are qualified to do and that our partner helps us grow our community through capacity building efforts. These three tenets are the foundation to our business relationship.

By engaging Dechant Construction Ltd. you are ensuring that dollars land with Saddle Lake Cree Nation and these opportunities ensure long term sustainability of our people.

We appreciate in advance and thank you in your support for Dechant Construction Ltd.

Sincerely,

Chief Eddy Makokis.
